## FAQ's

### 1. What is the process of applying for a Home Loan?

Step 1: Submit your loan application along with required set of documents. Step 2: Your application would be assessed on the basis of various eligibility and funding norms. Step 3: A property valuation and title check may be carried out by the company/representative to determine the property value and legal clearance of the property to arrive at the loan amount. Step 4: Basis the internal and regulatory guidelines, PNB Housing may approve or reject the loan application. Step 5: Submission of the original property documents takes place along with signing of agreements, handing over of registered property papers and submission of Post Dated Cheques/ECS. Step 6: Upon finding all the documents in order, PNB Housing will disburse the loan amount basis the progress of construction to the developer/contractor. The EMI/Pre-EMI will commence after the disbursement.

### 2. Am I eligible for a Home Loan?
